

PRESTIGE[©]

PRESTIGE FOLIAR SPRING AND SUMMER 14-3-7 + TE

Prestige Liquid Foliar feeds are specifically formulated with carefully selected surfactants to give maximum foliar action. They are manufactured using highly soluble, plant available nutrients. They also contain complexing and acidifying agents which help in mixing, pesticide compatibility and additional leaf absorption. Prestige liquids contain a full range of trace elements.

Prestige 14-3-7	w/w	w/v	g/l
Nitrogen (N)	11.97	14.0	140
Urea-N	10.7	12.5	125
