

All of the Collier Turf Care Ltd FACTS Qualified Advisors (FQA) have once again successfully passed the fertiliser annual assessment examination. Along with their BASIS qualification and membership of the BASIS Professional Register, this ensures that they are fully up to date and able to offer sound professional advice and support on both chemicals and fertilisers for the turf and amenity industry and entitles them to remain on the register of FACTS Qualified Advisors.

Andrew Harding, Managing Director of Collier Turf Care Ltd said *"We are committed to ensuring that our staff are fully trained and competent in order that we can deliver the very best professional advice and service to our customers. As the leading technical turf care company, we fully endorse the principles of staff training, professional qualifications and raising the standards throughout the amenity industry"*.

**Editors Notes:**

FACTS (Fertiliser Advisors Certificate and Training Scheme) is run by BASIS.

FQA – (FACTS Qualified Advisor).

BASIS is an independent standards setting and auditing organisation for the pesticide, fertiliser and allied industries.
