

*Universal ryegrass:fescue mix for golf, landscaping, lawns and more.*

A great multipurpose grass seed mixture for areas that demand great aesthetics combined with the ability to withstand high wear. Suitable for a wide range of scenarios, from golf course to cricket outfields. Wear tolerant perennial ryegrass is enhanced with fine leaved fescues. The result is an exceptionally dense and strong turf.

- + High quality, multipurpose grass seed mixture
- + Suitable for sports, landscaping and high-quality lawns
- + Excellent appearance combined with durability
