

# PY Bug Killer Concentrate

A broad spectrum insecticide for the control of aphids and caterpillars on roses and a range of vegetables.

## INSTRUCTIONS FOR USE

### When and where to use:

A broad spectrum insecticide for the control of insect pests such as aphids and caterpillars on roses and a range of garden vegetables, Py Bug Killer Concentrate will also control beetles on specified vegetables. Do not apply when bees are actively foraging (use early in the morning or late in the evening).

### How to use:

#### SHAKE WELL BEFORE USE

Add the required amount of product to water and agitate to ensure thorough mixing. To be applied with a knapsack or pressurised garden sprayer. Spray plants thoroughly, including the underside of the leaves.

Crop	Application rate	Maximum number of treatments	Minimum interval between treatments	Latest time of application
Roses	5 ml product per litre of water to treat 10 to 20m <sup>2</sup>	2 per year	10 days	-
Cabbage, broccoli, cauliflower and potato	5 ml product per litre of water to treat 20m <sup>2</sup>	2 per year	10 days	7 days before harvest

## SAFETY INSTRUCTIONS

### Protection during/in use

Do not eat, drink or smoke when using this product.

WASH HANDS AND EXPOSED SKIN AFTER USE.

WHEN USING DO NOT EAT, DRINK OR SMOKE.

IF YOU FEEL UNWELL, seek medical advice (show the label where possible).

### Environmental protection

Dangerous to bees. To protect bees and pollinating insects do not apply when plants are in flower or when flowering weeds are present. Do not use where bees are actively foraging. Use early in the morning and late in the evening. Do not contaminate water with product or

its container.

Direct application away from ponds and other surface water bodies.

### Storage and disposal

Keep out of reach of children. KEEP AWAY FROM FOOD AND DRINK. KEEP PRODUCT IN ORIGINAL CONTAINER, tightly closed, in a safe place.

DO NOT RE-USE THIS CONTAINER FOR ANY PURPOSE.

Avoid release to the environment. Dispose of contents/container to a household waste recycling centre as hazardous waste except for empty containers which can be disposed of in the dustbin. Contact your local council for details.
