

1 Litre

Supa **FLUSH**

A non-ionic surfactant blend to provide effective cleaning of line marking machines and prevent the build up of marking liquid in pumps, tanks and spray nozzles.

DIRECTIONS FOR USE

Add 50ml to 2 litres of water in the tank and agitate by rocking the spray tank up and down. Run solution through pump and then rinse with water.

PRECAUTIONS

Harmful to aquatic organisms, may cause long term adverse effects in the aquatic environment.

Avoid contact with eyes.

The material and its container must be disposed of as hazardous waste.
