

PRESTIGE®

HEALTH AND SAFETY

When using do not eat, drink or smoke. Do not take by mouth. Avoid skin and eye contact. Keep away from food, drink or animal feed stuffs. Keep locked up and out reach of children. Wash hands and exposed skin before meals and after work. Keep in original container, tightly closed in a safe place. Wash out container thoroughly and dispose of safely. In case of contact with skin or eyes rinse immediately with plenty of water and seek medical advice.

Conditions of Supply

All goods supplied by us are high grade and we believe them to be suitable but, as we cannot exercise control over their storage, handling, mixing or use, or the weather conditions before, during and after application which may affect the performance of the goods, all conditions and warranties, statutory or otherwise, as to the quality or fitness for any purpose of our goods are excluded and no responsibility will be accepted by us or our re-sellers for any failure in performance, damage or injury whatsoever arising from their storage, handling, application or use. These conditions cannot be varied by our staff or agents whether or not they supervise or assist in the use of such goods.

Super Tank De-foamer

Spray Solution - De-foaming Agent

**Use De-foamer only as an
Agriculture/Horticulture/Amenity/
Forestry Defoaming Agent.**

Pesticides may produce excessive foam when diluted in the spray tank. This causes difficulties when filling the spray tank and applying the pesticide.

Application Guidelines:
Use Super Tank De-foamer when it is necessary to reduce foaming in the spray tank. This should be done when the spray tank is at least half full and before foam overflows the tank chamber.

Application Rates
Use 1 squirt per 100-200 litres tank capacity.
