Irrigate regularly after application

1 Litre
Pack coverage 500m²

Health and Safety

Avoid skin and eye contact.

Use general protective equipment if required.

If in EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do and continue rinsing.

If on SKIN: wash with plenty of water.

Keep out of reach of children.

Keep in original container, tightly closed, in a safe place. Wash out container thoroughly and dispose of safely.

Storage Recommendations

PROTECT FROM FROST

Store in original container above 0°C and below 30°C.

Reseal container after use.

Do not apply in adverse weather conditions.

Application Rates

Half fill the knapsack sprayer or watering can, add the appropriate amount of Prestige Super Lawn Wetting Agent, add the remaining water whilst agitating. For best results apply every 30 days, or before a period of high temperature.

Irrigate with water

To be used on grass only

Tank Mixing

Prestige Super Lawn Wetting Agent can be tank mixed with Prestige Super Lawn and Soil Seaweed Concentrate at label application rate but requires watering in after application.

CONDITIONS OF SUPPLY

All goods supplied by us are of high grade and we believe them to be suitable but as we cannot exercise control over their storage, handling, mixing or use or the weather conditions before, during and after application, which may affect the performance of the goods, all conditions and warranties, statutory or otherwise, as to the quality of fitness for any purpose of our goods are excluded, and no responsibility will be accepted by us or re-sellers for any failure in performance damage or injury whatsoever arising from their storage, handling, application or use. These conditions cannot be varied by our staff or agents whether or not they supervise or assist in the use of such goods.
