→ DESCRIPTION

Viano All Round Plant (bassed) Food, is made entirely of 100% plant based raw materials. An organic based fertiliser for general use in ornamental, herb, fruit and vegetable gardens. It is authorized for the use in organic farming and is a slow release fertiliser, lasting for up to 4 months. Viano All Round Plant Food offers the plant a wide range of essential nutrients, activates soil life and improves soil structure. It can be applied from Spring until Autumn, around fruit and vegetable plants. This All Round Food is suitable for use before planting, or to use as a maintenance fertiliser during the growing season. This fertiliser does not leach out into the groundwater and does not burn plants.
