BAG WEIGHT
25KG

USAGE

Includes high potassium for turf hardening, improving stress resistance and added Iron for overall turf health and colour.
 Prestige Stress-Less is recommended for application to greens, tees, fairways and sportsfields as well as other amenity and landscape areas and lawns.
 Original proven organic vegetable base PLUS Seaweed and Trace Elements.
 Uniform micro granules through advanced granulation technology.

APPLICATION RATES

Apply at 12 week intervals as required:-
 25 gms/m² - covers 1000m² - 10 bags per Hectare
 30 gms/m² - covers 833m² - 12 bags per Hectare
 35 gms/m² - covers 714m² - 14 bags per Hectare

APPLICATION PERIOD

Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

APPLICATION ADVICE

For optimum results apply after cutting to allow maximum time for the granules to activate before the next cut.
 Water in during dry, hot periods to assist granule breakdown.
 Do not apply in frosty conditions.
