

## High N 25-0-0 Liquid Feed

### DIRECTION FOR USE

#### **TIMING:**

Can be used at any time during the growing season, and can be re-applied every 4-6 weeks.

#### **Application Rate**

Apply at 20-120 litres per Ha in 400-1000 litres of water. Repeat applications may be made when necessary. Half fill the spray tank with water, add the product and top up with water. Use straight away.

#### **Storage**

Avoid storage in extremes of temperature. Protect from frost and temperatures above 30°C.

### **HEALTH AND SAFETY**

Irritating to skins and eyes

Wear protective gloves and face protection (Faceshield) when handling concentrate

Avoid contact with eyes

In case of contact with skin and eyes, flush immediately with plenty of water

Do not breathe spray

Keep out of reach of children

Store in original container tightly closed in a safe place

#### **Safety data sheet available on request**

#### **Conditions of Supply**

All goods supplied by us are of the highest grade and we believe them to be suitable but, as we cannot exercise control over their storage, handling, mixing or use or the weather conditions before, during and after application which may affect the performance of the goods, all conditions and warranties, statutory or otherwise, as to the quality or fitness for any purpose of our goods are excluded and no responsibility will be accepted by us or our re-sellers for any failure in performance, damage or injury whatsoever arising from their storage, handling, application or use. Our staff or agents cannot vary these conditions whether or not they supervise or assist in the use of such goods.
