Super Turf Solutions

Super Sticker

Super Sticker is soluble concentrate containing 300 g/L alkoxyated alcohols (EAC1).

Super Sticker is a penetrative surfactant designed to improve the retention and uptake of pesticides. It ensures maximum effect at lower water rates and makes the chemicals rain fast as well.

IMPORTANT: This information is approved as part of the product label. All instructions within this section must be read carefully in order to obtain safe and successful use of this product.

SHAKE VIGOROUSLY BEFORE USE

Mixing and Spraying

Before use ensure that all spraying equipment is clean. Add half the required volume of water and start agitation, add the required quantity of Super Sticker. Fill the tank to the required volume whilst maintaining agitation. Continuous agitation must be maintained until spraying is complete. All application equipment must be thoroughly cleaned with water prior to storage.

Rates of Use: Use Super Sticker at a rate to give a 0.1% to 0.15% dilution of the final spray volume.

Field of use: FOR USE ONLY AS A SPREADING AND WETTING AGENT ON MANAGED AMENITY TURF.

For use with all approved pesticides at a maximum of 0.5% (V/V) Spray Solution Concentration

For maximum number of treatments and latest time of application: always follow the statutory conditions of use of the pesticide.

READ THE LABEL BEFORE USE. USING THIS PRODUCT IN A MANNER THAT IS INCONSISTENT WITH THE LABEL MAY BE AN OFFENCE. ALWAYS FOLLOW THE CODE OF PRACTICE FOR USING PLANT PROTECTION PRODUCTS.

Water Volume	Qty of Super Sticker
25 litres	35ml
200 litres	200ml - 300ml

DANGER

HEALTH & SAFETY INFORMATION

Harmful if swallowed. Harmful to aquatic life with life long effects. Causes serious eye damage.

ADJ A0744

Engineering control of operator exposure must be used where reasonably practical in addition to the following personal protective equipment

Wash thoroughly after use. Wear protective gloves/protective clothing/eye protection/face protection. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. When using do not eat, drink or smoke. Do not get in eyes, on skin or on clothing. Do not breathe spray. Wash all protective clothing thoroughly after use, especially inside the gloves. Take off immediately all contaminated clothing. IF exposed or if you feel unwell, call a POISON CENTRE immediately. Keep locked up and out of reach of children. Dispose of the contents and/or its container in line with regulations on dangerous waste or packaging and waste packing respectively. Do not contaminate surface waters or ditches with chemical or used container. Avoid release to the environment. Refer to special instructions. **However, engineering controls may replace personal protective equipment if COSHH assessment shows they provide an equal or higher standard of protection.**

Contains: Alcohols, C12-C15, Ethoxyated (7 EO) (CAS: 68131-39-5)

Conditions of Supply: No responsibility will be accepted by us or re-sellers for any failure in performance, damage or injury arising from their storage, handling, application or use of these goods. These conditions cannot be varied by our staff or agents whether or not they supervise or assist in the use of such goods.

**Net Size: 1 Litre
Pack Size: 6x1 Litres**
