

PRESTIGE[®]

Super Turf Solutions

Prestige Super Blue Lake Colourant

Reduces the penetration of sunlight, preventing the formation of algae and aquatic weeds whilst looking aesthetically appealing

1 Litre

Health and Safety

Avoid skin and eye contact.

Use general protective equipment if required.

If In EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do and continue rinsing.

When using do not eat or drink.

Wash hands and exposed skin before meals and after work.

Keep out of reach of children.

Keep away from food, drink or any animal feed stuffs. Keep in original container, tightly closed, in a safe place. Wash out container thoroughly and dispose of safely.

Store above 0°C and below 30°C.

Do not apply in adverse weather conditions.

Application Rates:

Use 8-12 litres of Prestige Super Blue Lake Colourant on 10,000 m² (1 ha) of water surface to obtain a coloring of 1-2m depth across the lake or pond.

Empty the bottle from several locations on the shore. The natural movement of water will diffuse the product over the entire water surface.

Important: Do not use in streams or ponds containing water for drinking purposes.

CONDITIONS OF SUPPLY

All goods supplied by us are of high grade and we believe them to be suitable but as we cannot exercise control over their storage, handling, mixing or use or the weather conditions before, during and after application, which may affect the performance of the goods, all conditions and warranties, statutory or otherwise, as to the quality of fitness for any purpose of our goods are excluded, and no responsibility will be accepted by us or re-sellers for any failure in performance damage or injury whatsoever arising from their storage, handling, application or use. These conditions cannot be varied by our staff or agents whether or not they supervise or assist in the use of such goods.
